Really really good songs. A thinking person's cd.--happy little songs filled with hidden messages and inuendo... 18 MP3 Songs COUNTRY: Country Pop, WORLD: World Fusion Details: five stars! "the essence of life itself"--Ghandi "he makes me stop and think"--Einstein Hi--buy this cd and if you don't like it you can email me and we'll talk about it. I just finished another cd "Mike Connelly II"--same cool pseudo sarcastic little songs but more polished music because of computers and synths and stuff. Go ahead and get this one tho cause it flows right along--its a good one to listen to when you're all alone or with 1 good friend--the other one you can put on at a party and crank it..anyway--thanks Mike Connelly here's a bunch of band names so i'll come up on search engines bob dylan jimi hendrix emminem metallica black sabbath weird al yankovitch dr demento lance link and the evolution revolution brittney spears the comfortable chair beatles beetles bangles bono boner bozo abba zappa acdc acdixie willie nelson and his half brother half nelson a flock of seagulls a room full of monkies the monkees diamond cash paycheck u.s. bonds fats domino chubby checker obese parchesi--ok i made that last one up--get my cd--thanks
