This delightful, uplifting, and highly inspirational music is reminiscent of early Joni Mitchel, with a spiritual twist, and lyrics and hooks to keep you humming these "happy Goddess" songs all day. 8 MP3 Songs

NEW AGE: New Age, POP: with Live-band Production Details: In my personal life, I have walked a deeply committed spiritual path for 35 years, as well as being a spiritual guide, performer and music producer. It is this depth of experience plus my joy in supporting others that pervades my work and music. In addition to performing at numerous New Age events including the world famous Weseak Festival in Northern California, Whole Life Expos and Soul Journey events with Craig Russel, I had the honor of appearing on stage in Mt. Shasta with Chief Standing Elk from the Dakota Tribe at the recent Star Knowledge conference. This, my fifth album, is a collection of joyful original compositions entitled, "Angels Earth Songs". I also teach - music and voice as well as sound and healing. I recently moved to Sebastopol, a wonderful town in Northern California, where I am studying Digital Recording and Graphic Design, as well as beginning production on my next CD!
