

Mp3 Red Flag - Born Again

[DOWNLOAD HERE](#)

An epic sounding album filled with haunting melodies, catchy lyrics, and complex and highly textured arrangements, most with dark overtones. 13 MP3 Songs SPIRITUAL: Spirituals, POP: Dark Wave

Details: Born Again is an epic sounding album filled with haunting melodies, catchy lyrics, and complex and highly textured arrangements, most with dark overtones. This 12th album by Red Flag marks the solo career of Chris Reynolds after the death of band mate and brother Mark Reynolds in 2003. Born Again has captivated audiences anew with its expertly crafted arrangements and stylized Red Flag sound. All the songs on the album are solid tracks and range from hard industrial rhythms to upbeat ballads. The title track is a melodic dark wave-styled beauty which succeeds in bringing industrial intensity together with melodic rhythms amazingly well. The whole album whisks the listener away on a sentimental journey of life, love, and loss. Red Flag is a dark industrial band whose music has evolved from new wave synthpop to dark and highly textured industrial melodies. The 2007 release of album Born Again marks the comeback of the band by Chris Reynolds after the death of brother and band mate, Mark Reynolds, in 2003. Red Flag made the top 10 Billboard charts in 1988 with their memorable song Russian Radio. The next year Red Flag's debut album, Naive Art, released by Enigma, earned them another top 10 single, If I Ever. Red Flag's music became a favorite in dance clubs around the world. MTV put Red Flag's video, Russian Radio, in heavy rotation later that year. Touring extensively, Red Flag played with acts Devo, Thomas Dolby, and Book of Love. They appeared on the TV show American bandstand where they performed Russian Radio. Since then, Red Flag released 12 albums, 14 CD singles, two box sets and appeared on numerous compilations. Their music has been featured on MTV reality shows. The band has played concerts around the world in the U.S., Europe, Canada, Mexico, and South America. Their work has inspired countless bands and garnered fans around the globe.
