A Partyline Villan was born in 1998 ("The Recorder") many copied the terrorists work so in 1999 he was again reborned as "The Soul Taker" He claims to take the souls by means of anger and violent acts. His voice and delivery style is creepy. 12 MP3 Songs HIP HOP/RAP: White-Boy Rap, HIP HOP/RAP: Alternative Hip Hop Details: It all started back in the late 90's when Partylines were really popular. The partylines were CT Raven, The Butt Monkey, Albany Raven. "The Recorder" was born and all wanted to find him and get rid of him. The recorder was known for recording people's greetings and posing as them. Everyone hated the recorder. But after awhile recorder imitators evolved. Everyone was claiming to be "The Recorder". So I had to come up with something more off the wall and crazy so I can kill of all those fakers. And there came "The Soul Taker". Everyone grew to despise "The Soul Taker". He was a sick demented immortal that attacked everyone on the line with nasty and undescribable things. Too nasty to repeat. This song gives you some idea, but you had to live and been through those partylines to know what really went on. This song is to let yall know who the real "Soul Taker" "Recorder" really was. Don't challenge my powers! You will not awake by morning, I assure you.
