

## Mp3 Rob McNurlin - Cowboy Boot Heel

[DOWNLOAD HERE](#)

Original Country/western/folk rooted in tradition 16 MP3 Songs FOLK: Traditional Folk, COUNTRY: Country Folk Details: Rob McNurlin was raised in Eastern Kentucky; the hymns in church, the Johnny Cash Show on TV, a harmonica from his grandmother, his parents records and a guitar on his ninth Christmas set him on a very musical path. He began studying traditional music learning hundreds of folk, hillbilly-blues and Gospel tunes. Inspired by Cash, Dylan, Woody Guthrie and Hank Williams he started writing songs and mixing these originals with the traditional . Rob has released five cds including "Cowboy Boot Heel", recorded at Johnny Cash's Cabin Studio, produced by his son John Carter Cash and a duet with guest Ramblin' Jack Elliott. "He holds his heart to pure music" -John Carter cash
