

## Mp3 Scott Moulton - Tropical Dreams

[DOWNLOAD HERE](#)

The intention of this CD is to frame a soothing, musical landscape of Hawaii. In addition to the instruments, there are sounds of waterfalls, birdsongs and ocean surf. Guitars and other peaceful instruments. Very relaxing. 8 MP3 Songs in this album (44:28) ! Related styles: EASY LISTENING: Mood Music, NEW AGE: Relaxation Details: The music of Scott Moulton reflects his love for the beauty of nature and the spirit of the land. Combining a variety of guitar stylings with rich chordal textures. He began playing the guitar at age 14 and soon after that formed his own band. In the 80's Scott moved to Kauai, Hawaii and established himself as a solo performer, appearing in concert with Graham Nash, Jesse Colin Young, Richie Havens and many others. Scott and his wife, Morgan Margie moved to Idaho in 1990.
