His music has touched the lives of the young and old in and outside of the church. His roots in the Church of God in Christ have kept him in and around the music scene. TAJ was born in Vallejo Ca, with both father and mother being experienced musicians in church. This gave him the tools he needed to take the music industry head on. TAJ has made clear that his vision is to spread the gospel and to infiltrate areas where gospel music is not known to go. This lyrical preacher believes that passion is what people feel and he has enough to get the job done. At the age of four years old TAJ was a skilled drummer and, this path led him to be one out of many to stand up and speak to reach the masses. His ability to perform traditional and contemporary gospel music gives him the flexibility to minister to all groups. He has performed in many musicals and functions sharing the same stage with many great artists such as Trinity 5:7, Vanessa Bell Armstrong, Tramaine Hawkins and many others. Later TAJ progressed he became an organist, and singer/song writer developing his unique style of Lyrical Preaching known to some as gospel rap. TAJ has completed his sophomore album, Speak on it, where he speaks on the issues that people otherwise would not mention. He not only is the artist, but this talented preacher also wrote all of the lyrics, and produced all of the music. There is no sugarcoating on this album, just the raw truth of today's reality. With smooth, heart-piercing lyrics and jazzy hip/hop beats, the talent that this artist has to offer will rock the gospel rap industry for years to come.
