Cinematic surf/spaghetti western. 10 MP3 Songs ROCK: Psychedelic, ROCK: Surf Rock Details: A direct decendent from their independent film work, The Lost Patrol uses haunting female vocals framed by melodic acoustic and electric instruments. With tastes of pungent pop tendencies, a savory bombardment of wide screen instrumentals, surf laden guitar hooks, tales of lost love and tons of atmosphere, The Lost Patrol convey a living, breathing version of a movie soundtrack. Since it's formation in 2000, the group comprised of members from the New York and New Jersey suburbs has been blossoming into it's own brand of ethereal, toe tapping twang.
