This is what I call "Red Wine Music", perfect for listening to while sipping red wine in the hot tub or on a sailboat with a warm breeze at sunset. Acoustic Guitar, Vocals and Violin. Mellow and Relaxing. Good for the soul. 13 MP3 Songs in this album (44:27) ! Related styles: FOLK: Folk-Rock, COUNTRY: Country Folk People who are interested in James Taylor Eric Clapton Cat Stevens should consider this download. Details: This CD contains a group of songs I have written over the course of my career as a professional solo entertainer. I have kept it simple and acoustic just like the way they were written with the added touch of violin and backup harmony. I play the guitar and violin and do all the vocal parts as well. This is a complete solo project from start to finish with the exception of the label which my daughter designed and shot pictures for. She also contributed much constructive criticism too. It is mellow and very soothing. Hope you enjoy it.
