Features updated interpretations of romantic songs including well-known favorites and some rarely-heard gems ranging from sexy and swinging to soulful and sentimental. Styles reminiscent of the swingin' Frank Sinatra and a male Diana Krall. 13 MP3 Songs EASY LISTENING: Love Songs, JAZZ: Swing/Big Band Details: Romantic is the word to describe Todd's voice and song styling. From Los Angeles to New York City and back again, Todd Murray has been singing his way across the USA. Voted one of the top ten vocal albums of 2002 by Talkin' Broadway, "When I Sing Low", was honored in New York City as "The Siegel Cd Pick of the Month". Murray recently finished a month long run at Hollywood's famous "Feinstein's at The Cinegrill" and was featured at New York City's Town Hall. "Echoing some of the great song stylists of the past, Todd Murray brings passion, style and grace to everything he sings." -- Frank Wildhorn, Atlantic Records "When I Sing Low...is an incredibly sensual album...with a rich, deep baritone that caresses each note like a lover and a sparkling way with a lyric" Jonathan Frank - Talkin' Broadway While Todd Murray has leading man good looks and an easy-going style, he also brings new life to some classics with his refreshingly simple, and above all, a sexy approach to song interpretation.
