Although several of the songs are sexually explicit, there's room for God in that too. He made sex so what's so bad to sing about it. This is an attempt to make people realize that they are of the light AND the dark and to help them find the balance between the two. Some churches may not see it that way, but that's the way we see it. Love! Jeff (Kenickie) Conaway Vikki Lizzi. People who are interested in should consider this download. Tags: pop
