Every time we talk with people we are trying to influence their behavior, and they are trying to influence ours. The words we use, the way we dress and move, are all ways to seek to control one another. Though we may make these attempts unknowingly, they leave us open to dangerous manipulation. People-Reading will teach you how to listen and what to look for in yourself and those around you, so you can identify underlying hidden motives, expectations, and fears. By reading these hidden messages you can avoid their damaging effects.
