Lily Blossoms N.J. Walters "What do you say?" Carson, the man she's lusted over for the past five years, is standing in her kitchen, offering himself up for research. Lily isn't convinced she hasn't fallen asleep at her keyboard and is now having the most amazing dream. No one in the town of Summersville knows she writes erotic romance under a pseudonym. Everyone knows her as the quiet, conservative woman who owns and operates the local flower shop, Lily's Blossoms. She's rarely dated and certainly not a man eight years younger. But Carson is resolute. He's wanted Lily for years and when he stumbles onto her secret, he seizes the opportunity to get closer to her. Lily has a list of erotic fantasies she wants to research including sex in public, roses, whipped cream and a striptease. Carson has a few ideas of his own and he's determined to be the man she experiences each and every item with. What she doesn't know is that he has an agenda of his own-one that ends with them together forever. Author: Walters, N.J.
