

Mp3 Alison Dennis - A Keplerian Telescope Named Galileo

[DOWNLOAD HERE](#)

rich acoustic guitar playing and Joni Mitchell-esque vocals join forces with tales of crazy creatures from another dimension, plastic kiddie pools and sweeping synths in order to create this space-age album with folk charisma. 13 MP3 Songs FOLK: like Joni, POP: Folky Pop Details: This is an album about both STUFF and THINGS. The songs are mildly based on reality as a consciously perceived continuum of 3 spatial dimensions and time. -Alison
