Original songwriting that draws the very best elements from today's Americana/Roots rock traditions. 10 MP3 Songs ROCK: Americana, COUNTRY: Country Rock Details: Based out of Chicago II., BIG BREAKFAST got rolling way back in 1999. That's when songwriter Peter Joly teamed up with multi-instrumentalist Jon Williams. Along the way they picked up upright bassist Brian Dibblee and drummer Nadine Schneller. Their first album, "This Kind" was released in 2000 on the "Lost In America Music" label. Building on the foundation they laid with their first record, BIG BREAKFAST continues to develop their unique approach to a truly original sound with their second independently produced full length offering, "Stripper Music"! With this new album, the band ventures into deeper emotional waters both lyrically and musically. While they still construct around the literate songwriting style of lead singer Peter Joly, BIG BREAKFAST conscientiously nurtures each tune with thoughtful arrangements and inspired performances. Recorded in their hometown of Chicago, at Truckstop recording studio, "Stripper Music" has an honest Midwestern energy that isn't afraid to open up its soul to the listener!
