HEAR WHAT THE PRESS HAS TO SAY: EdgeMagazineOnline.com JEN'S AURAL FIXATION * THE CHICK'S PICKS (May 17, 2004 - June 6, 2004) * Well now...I'm happy to say, my trip to the 10 High Club in Atlanta gave me a great new band to dig on! I've been spinning this disc for the past couple weeks now! I love it more every time I listen to it! These Atlanta guys have a very unique mix of 80s pop/rock with a little dash of pop-punk with some Queen undertones...what a lethal combination! I love punk...and of course, anything 80s...and I'm all about mixing it up with some old school rock-age! And baby...they've got hooks galore... BABYSUE Feb, 2004. Blankety Blank - Is This Your Pill? (Independently released CD, Bubblegum pop/rock) Charged up bubblegummy rock that is so upbeat and ultimately dandy that you can't help but smile and tap your tootsies. Is This Your Pill? is a wonderfully invigorated dose of big happy funtime . The album is almost completely out of touch with what is currently popular among average idiot music listeners...and that is most certainly a feather in the band's hat. The four men in Blankety Blank write and record wonderfully uplifting pure pop music with soaring melodies that sound not unlike Jeremy Morris . They are not afraid of sounding upbeat and positive...their songs are instantly addictive...and the vocals are

absolutely out-of-sight (!!!). The album is short...consisting of a mere nine tunes...but within the confines of those nine tunes, these guys convey more ideas and feelings than 95 of everyone else out there. A truly keen little band to keep an eye on. In this comfy little campground, Blankety Blank is an instant HIT. Killer cuts include "5 Minutes Ago," "#1 Fan," "Is This Your Pill?," and "You Come Through." (Rating: 5+ (out of 6) David Bash-International Pop Overthrow Thank you very much for sending Is This Your Pill. As you may imagine, I receive hundreds of CDs from IPO applicants each year, but yours is one of the best ones I've ever gotten from someone who contacted me cold. I'm mighty impressed!
