Hot east coast rap 10 MP3 Songs HIP HOP/RAP: Hardcore Rap, HIP HOP/RAP: East Coast Details: East coast, West coast or stuck straight up in the Mid-west, Paul Wade (a.k.a. Boogie Da Don) is bringing a flava to hip hop that is long over due. With a style of his own Boogie will take you on a journey that is reminiscence of the late Tupac and Biggie. While making a name for himself in Louisville, Kentucky Da Don has his sight set on much bigger game namely international stardom. With a flair for writing hip lyrics and keeping it real to the streets Boogie is sure to be a crowd pleaser. Boogie Da Don "Toppin' All" is the album that almost wasn't. While looking for the right connections to produce his debut album Boogie was about to give up when a relative knew the folks behind one of Louisville's hottest independent production company PSM Style Productions. Taking the relative word on the hot young rapper, Boogie was invited to drop some free style at the studio and immediately impressed the decision maker and the making of a star was born.
