Details: BRIAN ROZENDAL's debut album, "Lean," is the culmination of years of musical growth and evolution. With dynamic, exciting arrangements built around a core of emotionally resonant songwriting, "Lean" is an engaging and cathartic collection of acoustic alt-folk recordings. Complementing Brian's driving vocals and guitars, the album features Portland, OR musicians Josh Millard (piano, backup vocals), Aubrey Webber (cello, backup vocals) and Terry Drysdale (drums). Recorded and produced over a period of six months and on a shoe-string budget, these seven tracks are a testament to the power of forthright writing, adroit musicianship, and uncompromising independent production.
