Neofunka-raggae-rocka-jazz-soul. 9 MP3 Songs URBAN/R&B: Neo-Soul, POP: Pop Underground  
Details: What is a C12? Definitely not the equation, C to the 4th power (c4), but just as explosive! With political, religion, war, media, 911, topics that this songwriter torches. On the 2nd track "Words I Heard Before", a knock on today's journalists repeating themselves over and over again. The 9th track "Russ" a song about a brave soul who didn't get all the breaks that life has to offer, but loves his life and lives his life better than anyone who can call themselves normal. C12 works and creates with a plethora of creative artists. Ranging from Spoken Word, Amord, to the funky Slide Steel Guitar of Paul Laques, sax of Joe Wilson, guitar of Tanner Bailey to the sultry voice of Sherrie Nourse as well as Rick Alonzo holding the bottom with his bass guitar and last but not least Shawn "Bigstixx" Nourse on drums, recording and production. Songwriter and musician and singer who indulges in the keyboard, bass guitar, 12 string guitar, acoustic guitar, percussions and harmonica and continues to play with any instrument he can get his hands on to write a song or progression.
