Haymon in 1956. Five decades later, "though many dangers, toils and snares we have already come," but by God's grace, the church is moving forward stronger than ever! Through at least 8,000 worship services, several thousand baptisms, hundreds of revivals, and four debt-free worship facilities, God's grace is leading the church into an ever-brightening future. Foremost among the gifts God has bestowed upon us has been the faithful ministry of Bishop Haymon. His commitment and lifelong focus have been pure and scriptural, serving the same church for fifty years. The CAC mission has always been: Reaching UP to worship the One True God, Reaching OUT to supply the love of Jesus Christ, and Reaching IN to strengthen the community of faith. The church serves its city, community, and members with family focused ministries, including: Children, Youth, Men's and Ladies' Ministries. You are invited to visit the CAC website cacdenverfor sermons, testimonies, event schedules, and much more.
