

## Mp3 Cooley - Interstate To H.e.l.l

[DOWNLOAD HERE](#)

A very versatile style for the street, club, and commercial. This is definitely a Hot project. 12 MP3 Songs  
HIP HOP/RAP: West Coast Rap, HIP HOP/RAP: Rap Details: Unlike most of today's copycat hip hop stars San Francisco based artist Cooley has a distinctive rapping style that separates and makes him a leader in a crowded pack. There's intensity in the way Cooley's delivers lyrical assaults giving him the sound of a seasoned professional. Cooley produces rhymes that paint a perspective of his visions placing you in deep thought while listening to his self produced and written "Interstate 2 H.E.L.L." The funky Dr. Dre inspired "Let It Go" and the CD's title track also manages to switch up the flava with the whip bounce groove "Boogie" whose title says it all. "Interstate 2 Hell" contains 12 sensational tracks that stay true to today's current street flava similar to Master P, 50 Cent, and local heroes Too Short and E-40 who are now mainstream platinum selling artist. If Cooley continues to perfect his craft with the potential he already has he may one day have the honor of having new artist be compared to him. David Alston, San Francisco Bay View
