The Chancellor is back with lyrical, Southern swaggar that can only come from New Orleans 18 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Southern Style Details: The Chancellor is back! RAHM Nation Recordings, LLC is proud to present the re-release of G.s debut album, _The Legend of The Chancellor_. G., a native of the infamous Ninth Ward New Orleans, chose to donate much of his promotional budget to Hurricane Katrina relief funds during the Fall 2005 release of the original _Chancellor_. I was more than happy to do it, G. explains. I was humbled by the utter destruction and subsequent lack of governmental response. My album sells suddenly became unimportant. Yet, I could help but wonder how many more hip-hop fans would have loved to add The Chancellor to their collection but simply had not been aware it was out. Such fans now have that chance. _The Legend of The Chancellor_ has been re-mastered and includes two remixes (Fallen and Wait, Mr. Chancellor) and as two brand new songs. Fellow RN artists Ohene (_The Rapademics_, _Inner City Soul_) and Random aka Random Beats (_The Call_) are back with 16s and beats, while Philly underground vet Journalist (_Scribes of Life_ [Motown], _Off Season Vol. 1_ [Hard Rout]) also makes a guest appearance. Whether you are new to G.s music or been down since day one, youll want to pick up this album!
