Illogic-Lyrical, unique, urban hip-hop, southwest flavored MC's. 20 MP3 Songs HIP HOP/RAP: Hip Hop, URBAN/R&B: R&B Rap mix Details: Illogic's influences were a combination of three things. Initially, we all grew up graffiti artists. Hip-Hop became an addiction! We transcended into music, (but occasionally still rock burners!) Second, The EAST COAST rappers like METHOD MAN, REDMAN, ERIK SERMON, KRS-ONE, RUN-DMC, and NAS provided the lyrical inspiration for our projects. The third element of influence came from the WEST COAST and can mainly be attributed to Dr.DRE, 2PAC, ICE-T, and more. Illogic is extremely unique. After being inspired by the influences listed above, Illogic created some music that is SOUTHWEST FLAVOR. We describe our style as "ILL LOGIC" and now you have the background to how we came up with the name! AERO 1's beats are definitely unique and like nothing you ever heard and LUCKY C and MOR LES provide nasty, lyrical firepower to accent. How are we different from the norm? Listen and find out! We appeal to almost everybody. Check [thirdlightproductionsfor](#) downloadable beats/instrumentals from Third Light Productions!!!!
