Country Details: "Jeff and I have been friends for a long time now, even though we don't see each other very often we always stay in touch through music. Jeff sent me some new songs recently to listen to that will be on his new CD project. There is one song in particular that really grabbed my attention and pulled me in towards the speakers it's called " My God" I think this song shows for once and all that Jeff is a fine songwriter and an equally strong messenger with his emotional vocals." LARRY SHELL, Co-Writer, "Murder On Music Row." Nashville, TN "Jeff Barbra's music is real, Just the way it should be.
