Mp3 John Haskin - Plug Your Ears

A blend of Country with a touch of Gospel 11 MP3 Songs COUNTRY: Traditional Country, GOSPEL: Country Gospel Details: My song writing started when my daughter said "I wish I could make a CD like Shania". So I gave her the "you can do anything you put your mind and time to" speech to which she countered "You could never make a CD". Having played guitar for many years and once writing a couple songs 20 years ago I set off to prove her wrong. A couple years, a computer recording program, 2 new guitars, microphones and a lot of fun later here it is. For those of you courageous enough to purchase "Plug your ears", I thank you and hope you find enjoyment listening to it.
