

Mp3 Lise Vachon - Vocalise

[DOWNLOAD HERE](#)

Vocalise is the culmination of travels and musical explorations in West Africa, Europe, U.S. and Quebec 8 MP3 Songs WORLD: World Fusion, WORLD: World Beat Details: Born in Montreal, grew up singing with her family. After music school, Lise undertakes a career as a singer/songwriter focusing on the voice as an instrument. Very early she signs with Capitol and Polygram and records as a duet: Luc and Lise Cousineau "Les Alexandrins". She has a radio show, is seen regularly on television, appears in such shows as Le Sel de la Semaine with the writer Jack Kerouac, a little before his death. She tours in Canada, in France, Belgium, French Switzerland and sings at the Rio de Janeiro Festival da Canao Popular. She joins eighteen musicians to form the Ville Emard Blues Band. In that same period, she forms a smaller band with fellow percussionist Michel Seguin: Toubabou. She travels and studies the music of West Africa, the Caribbean Islands and the South of United States. She continues recording original music and writes more and more lyrics and music. As she spends several years in New Orleans, she researches, studies music therapy, collaborates with new music composers, teaches at Loyola University as well as in private. In New York since 1990 where she teaches music, Lise walks the line between electronic, traditional, new music and jazz.
