Kick up your heels the old fashioned way and dance along. 20 MP3 Songs WORLD: Western European, EASY LISTENING: Mature Details: Dancing is fun, it keeps you fit and young. My first dance lesson was when I was about 10 years old, back home in our old farmhouse. A young, beautiful Polish girl grabbed hold of me and taught me the steps to a good old polka. The melody still comes back to me and it was fun. From there on I have always loved dancing. But the good old way, where you still cling on to your partner and be a good girl and let HIM lead you and follow HIS steps. Things are different now, everybody does their own thing. On this recording is a mixture of everything, I like doing that. So why don't you take your partner and go step by step and have a bit of fun. Do it YOUR way. Liebe Gruesse from Lotte.
