Bluesy Pop Adult Contemporary Jazz 11 MP3 Songs BLUES: Blues Vocals, JAZZ: Jazz Vocals Details: Davies, born in Liverpool, England, moved to Montreal at the age of two and was classically trained in both piano and guitar. During the 1970s, he broadened his musical horizons with the study of both instruments in the genres of Jazz and popular music. Leaving Toronto in 1992, Lyndon again relocated and this time to Vancouver BC. This is where he calls home. During the summer months he entertains in Fishing and Nature resorts on the beautiful coast of BC or he can be found as Solo Piano Entertainer or Band Leader for various musical combo's on cruise ships. When not traveling the world by way of ocean he can be found working in Vancouver with his band or in the Piano Lounges of the finer hotels or restaurants. With his personable style, he has helped people to smile, relax, dance, sing-a-long or enjoy a romantic moment. Dates have included Canada, the United States, Europe and Scandinavia. His music has been recorded on CD. His first project was entitled "Wave". A combination of Piano, Bass And Drums, recorded in 1996. A truly swinging collection full of Jazz standards and a Willie Nelson tune that pulls it all together. His latest CD Entitled "In My Dreams", is full of his original songs that shows his dedication to his versatility and songwriting skills recorded in 2004. A true classic. One that will always be a favorite in anyone's CD collection. Mention must also be made for Lyndon's genuine integrity, honesty and reliability ...his professionalism; he is an entertainer you can count on, time and time again.
