Jazzy pop melodies with rock over tones 13 MP3 Songs in this album (55:12) ! Related styles: EASY LISTENING: Adult contemporary, EASY LISTENING: Easy Pop Details: Philadelphia- born self-taught musician, Nick Mundy started his musical odyssey at the young age of seventeen as lead singer and guitarist of London records family group, "The Beck Family". Nick continued his journey with another Philadelphia family group, "sister sledge" as their musical director and guitarist, and played on their album, my guy. Columbia records industry veterans Cecil Holmes and Ron Mosley saw green in Mundy and believed and it wasn't long before Nick's 12-inch single "Aint it alright" hit the streets. Nick left the east coast for Los Angeles to pursue his artistry. Armed with only a hundred dollars and fourteen songs, he promptly landed himself a publishing deal with MCA publishing and Warner Chappell music. It wasn't much time before Nick Mundy was signed to warner brothers by Benny Medina as a solo recording artist releasing his first solo 1985 album,"your kind of guy. " Along the way, Nick found time to co-write and produce songs like "talk to me" for Chico de barge,"trade him in with Janis ina" Jody Mowatt working wonders "What comes Naturally " for Sheena Easton, "Jeffrey Osborne" this song "roll the dice" for color me badd, "personality" for Kashif, Gina go go Gomez, Alexander ONeal, John Pagano lets get to it, wild orchid with Fergie all about you boy, Eric Benet, Christmas morn, Latoya Jackson with Cerrone Opps oh no! Carl Thomas motion, tony terry and "try my love" for Jeremy Jordon just to name a few. Naturally it was only a matter of time before nick returned to doing exactly what he is meant to do. Crafting song after heart-felt song for himself for his upcoming, self-released cd just songs in this album he is finally able to release himself from the shackles of having to write an album of cuts in just one style or another. With this cd, Nick's fans can finally truly appreciate this multi-faceted, genre-crossing artist. Sit back. And take this journey. Its been a long time coming but its been worth every second of the wait! soon to be released on

his own label "blackyard records ".
