Performance poetry-funky guitar and original poetry 10 MP3 Songs SPOKEN WORD: Poetry Details: Ron Allen is a performance poet from Detroit MI he deconstructs language to create new ways to express meaning and syntax. Ron's work is in the post cool era of raw energetic rhythms of culture. Ron's musical accompnaiment is hard edge lead guitar with funky riffs that accentuate the substantive flow of the poems. This is a rare exploration of word and sound in the frequency of the hip culture of the midwest.
