When Hip Hop meets Funk you have Sheeck and a new era is born. "Funk Hop" 11 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: West Coast Rap Details: Perhaps a new name on the scene to some, Sheeck has been in the Hip Hop game since the 80's. He was an original member of the infamous group Above The Law, doing production on several tracks and having a highly influential impact on the group. Due to contractual disagreements, Sheeck and Above The Law parted ways as a group. As Above The Law continued on, Sheeck stayed busy behind the scenes producing and writing for himself, Above The Law and other groups alike. Through a long journey in the music industry, often taking a back seat on his own career, Sheeck has now emerged with his solo album UnderGround Hog, with the first single Crazy Hoe. After hooking back up with fellow Pomona producer, Tony TouchTone Isaac, the two collaborated on a few tracks and Sheeck followed through with his own production on the rest of the album. Not only showing the mastery of his music production skills, Sheeck displays an ability like no other on his lyrical style and content. Once you hear the new album, you can clearly see that this artist is a seasoned vet and not a newcomer to Hip Hop. In Sheecks own words, This is just to test the waters, you aint heard *@#\$ yet. Matter of fact, this is just a percent of how good its gonna get.
