He lost his Father at an early age, which forced him to help raise his handicap sister alone. Growing up in his community was not easy, especially for the fact that he was the only White-Italian guy in the neighborhood. So fighting and staying alive was an everyday norm for him, not to mention fighting for respect. At seventeen years old he joined the Military to get away from it all and start a new life. This is where he discovered that music was more than something he listened too, it was something that he absolutely loved making and writing. Although he has been through a lot of ups and downs as well as many losses in his life, Music and his faith in God has got him to where he is today. He thrives everyday to better himself as a person, a father and a musician. He has a smooth style which is unmatched and is a very humble person when it comes to his music. He doesnt label himself as a Rapper or singer; he just sees himself as an entertainer and wants his message to be heard.
