If you live in the South: Twangy folk music with witty lyrics. If you live in the North: Country music with witty lyrics. 6 MP3 Songs COUNTRY: Alt-Country, COUNTRY: Americana Show all album songs: This Will All Seem Funny Songs Details: This Will All Seem Funny is an EP of the six most popular songs I wrote after the Critic's Darling CD came out, based mostly on people's response at live performances. I recorded them at Chris Harris' basement studio in Arlington, Mass. The band was three fellas I played with a lot the past few years: Jonah Kraut (of The Patrons) -- bass, electric guitar, pedal steel guitar, harmony vocals. Ryan Barrett (also of The Patrons) -- drums. Rob Huffman (of Rob Huffman and Blue Parrot) -- acoustic guitar, mandolin, harmony vocals. I sang and played acoustic guitar. Chris produced the sessions and also mixed and mastered the songs.
