Hi My name is SYBELLE Since 1984,I have been pursuing the secrets of becoming a famous artist.Being of "Caribbean Infliuence made it so much harder,But there is nothing I would allow to discourage me as this has always been my dream,I entered competitions, or any-event that would allow me to borrow the microphone,Later on I got the oportunity to be the lead female cross-over singer,and there I began to proform live and gained Professionalizam on the stage. I gained my self- confidence as I was always shy, and there I developed my very own stage presence for the bigger events,Being able then to proform for crowds of about 15,000 to 20,000 people. The last time I did proformed in the Caribbean,I proformed with my band for the Delegates,as the Miss Universe Pageant was held in Trinidad&Tobago. After many years ,I can now say I am a songwriter/ Singer/Producer,This last year I've started to record my own songs,which was so exciting yet so scary because I no longer had the security of my band-mates to help me. I feel that being of a Cosmepoliton Caribbean Background, I have tried to be quite Vasatile with my music.I have had the oportunity to work with A Publishing Company/AN Entertainment Company and has already been offered a Record Contract,I am still an Independent Unsigned Artist,making great music for my fans and eager to attain all the wonderful oportunities life has to offer. FRIENDS...,YOU CAN HEAR MY SECOND ALBUM,ON CDBABY .COM/SYBELLE2,AND AFTER LISTENING TO BOTH CD'S,I BELIEVE THESE TWO CD'S ARE A MUST HAVE.FEEL FREE TO LEAVE ME A REVUE,OR AN EMAIL AS YOUR VIEWS ARE SO MUCH APPRECIATED BY MY-SELF..... MY GOALS ARE: TO BE ACKNOWLEDGED AS A WELL BALANCED VASATILE SINGER/ AND PROFORMER,AND ROLE-MODEL TO OTHER NEW

INDEPENDENT ARTISTE WHO WANTS TO MAKE MUSIC THEIR ALTIMATE CAREER. A WORD OF ADVICE TO ALL MY FANS AND FRIENDS. Positive Thinkers,always keep the company of Positive Do-ers,and as a result together they both produce positive results. If your dream is a positive one: 1. Failure is definitely not an option. 2.Believe in your-self 3.Against all odds,strive to accomplish your dream. NOW BEFORE I GO LET ME TELL YOU GUYS ...THANK- YOU,FOR ALL THE PERSONS THAT SPENT SOME OF THEIR PRECIOUS TIME TO LEARN ABOUT "SYBELLE.... THANK-YOU SYBELLE.
