

## Mp3 The Colour Of Time - Neon Wind

[DOWNLOAD HERE](#)

Pschedelic ambience,Analogue Dream scape with a touch of Jean m.Jarre,A Celtic Tangerine Dream,invading a chasm of bird song only when Twilight dreams and gleams.Voices of forgotten longing. 6 MP3 Songs ELECTRONIC: Ambient, NEW AGE: Celtic New Age Details: Flowing lines that fade into a distant darkness ,reflections of neon cities,If evolution had favoured the birds then the art and music would form an organic wake of whirlpool possibilities.would time and forest colours cascade into caverns and stars?Everything dims and moves to new forms as hearts grow tired and forget the unique beauty of this drifting world.Standing alone and as many in our regrets,our unsung treasures are the beings around us that past and change as setting sunlight on long forgotten oceans.Only valued with passing into nothingness.
