Jam/Latin/Blues/Jazz 10 MP3 Songs LATIN: Latin Jazz, BLUES: Jazzy Blues Details: Daddys Movin West is the debut CD from Tom Sanchez and his new band The Havana Blues Syndicate. As the former guitarist with the Grammy Nominated acid jazzers, LIQUID SOUL, Tom (also listed as Tommy on many CDs) has appeared on three of their releases and was even penned LIQUID SOULs secret weapon by Musician Magazine. Apparently, the secret is out. Traveling from soulful, funky, latin jams to his own brand of spaghetti western music (Clint Eastwood would be proud), Sanchez and his blues mafia take us on a musical journey from the melodic guitar hooks in Mi Casa es su Casa to the nod to Kenny Burrell/Wes Montgomery on Blue Cheese, and even a dash of a New Orleans-esque vibe on CBs Blues all the while keeping a side of black beans, a surfboard, and many incendiary blues licks close by. Joined by some of Southern California's finest, Tom Sanchez has managed to put together a disc thatll keep you grooving from beginning to end and anxiously awaiting their encore. Featuring: Tom Sanchez guitar Tommy Aros percussion Ken Dow acoustic bass Cochemea Juan Gastelum alto sax Saul Good electric bass Duncan Moore drums/percussion Mark Ohlson trumpet John Rekevics tenor sax/alto sax/baritone sax
