Details: I would first of all thank jesus christ for the people he put in my paths to complete this cd. I'd like to thank my producer simon smith, the b. T. P. Crew, and all of the folks back in chicago. It's amazing how we put this project together. After the "gospelation 3" i had no idea the "v'launce" cd would come together. I have grown so much musically and spiritually. Simon smith is a great gifted musician and an awesome coach. I had so much fun writting with simon and the rest of the b. T. P. Crew , i feel so blessed. I'd especially like to thank my mother and grand-mother for making me go to church and sing in the choir, "i love ya'll". There are so many people that have suporrted me all i can say is thank you. I really have to give a shot out to sean duan for the extraordinary photography work "u da man"!
