

Mp3 Wavelength - Cruzin' The Music Highway

[DOWNLOAD HERE](#)

Musical journey into Jazz, Latin, R&B, Rock and Funk. 12 MP3 Songs JAZZ: Latin Jazz, JAZZ: Jazz Fusion Details: The group Wavelength offers the perceptive listener many different styles and textures from the colorful palette of the jazz genre to enjoy. Their diversity is shaped by the melting pot created out of the various cultural and musical backgrounds which each core member brings to the band. Add to that exciting mix contributing artists who themselves hail from around the world, and you have a unique Wavelength sound that cannot be easily pegged. Wavelength music takes you into a musical journey to the various styles including R&B, Jazz, Rock, Latin, Fusion, and Pop. This is a live performance oriented group that sounds as great on a recording and during a performance. Cruzin' the Music Highway CD showcases artists with styles and experiences that provide sounds from a Santana Style Latin rock to Tower of Power funk and George Benson smooth jazz. Addition of strong vocals on several tracks round out the offering on this unique CD.
