A composite, adrenaline-fueled soundscape that distills the modern life of the average American into 62 minutes of aural overload. This fascinating, hallucinogenic sound collage is composed of thousands of fragments of sound welded together to form a mass 12 MP3 Songs ELECTRONIC: Soundscapes, ELECTRONIC: Experimental Details: More coming soon... A wild hallucinogenic and schizophrenic soundscape/collage that is composed of thousands of micro-second samples melded together, twisted and distorted. Rapid fire sound bits flash by at a heart-racing pace, followed by moments of ambience and abstract noise... Think Merzbow meets John Cage to produce Zappa's Lumpy Gravy at 78 RPM...
