Songs for lovers, mystery lovers, and strangers in the night. 15 MP3 Songs EASY LISTENING: Love Songs, FOLK: Fingerstyle Details: Hello! fellow Mystery Lovers. My name is Zarr Manco, and I wish to share some of my love songs with you. This is a kitchen recording, recorded live at the cabin. It is simply acoustic guitar-harmonica, and kitchen tools. I stay under the radar for reasons not disclosed at this time, but hope to one day play for you in person. I've noticed a lot of confusion in the world of amore' today, and I'm worried that young men have forgot how to Love a woman. My suggestion is this, drug your boyfriend or husband, and drop him off in the middle of a wilderness. If he makes it back to you, even if he's missing limbs don't worry about that. He is now what you need-- A MAN. If he ends up in a hospital dehydrated, and delirious send flowers, and keep looking. Also please-please-please remember, life is very short so have lot's of fun, and enjoy one another's love. Oh by the way listen or, buy or if you like, down load to your toy's. Thanks for listening Zarr Manco People who are interested in Gordon Lightfoot Alan Jackson Julio Iglesias should consider this download.
