With accessible descriptions of magical techniques, Michael Furie teaches you the practical use of over seventy simple spells and rituals. Spellcasting for Beginners includes the basic skills of creating intention and projecting energy, and shows how to integrate them into essential spells for love, healing, money, bringing forth visions, creating blessings, and more. You'll also learn about magical ethics, correspondences, magical tools, and how to design your own spells. Work with Michael as he describes how to meditate, raise energy, and focus on specific results of spellwork. Create a basic altar for solitary practice, learn to create magical recipes with natural ingredients, experiment with nature-based magic, and discover the wonderful uses of crystals, gems, and charms. Practitioners will continue to refer to Spellcasting for Beginners even after moving out of the beginning stage.
