This is a typical scenario for us marketers. We need to design sites fast, to the point and of course save every single bit if possible by doing it ourselves! Simply put... 1. A simple solution that will make any of your website designing a breeze, by allowing you to be able to pick an effective color scheme with just a few clicks of the button? 2. Get deliciously professional color tones for your site even when you don't have a single clue of where to start by using a random generated matching color scheme? 3. Create a lasting impression by giving affirmative colors that will influence your online sales! 4. Enjoy complimenting color schemes at any time anywhere (Its portable). 5. Easily spot web safe colors with a special built in function that analyzes every single color and tells you if the colors are safe for web! 6. Resell this amazing product and keep 100 of the profit to yourself! This will all sum up to the ultimate benefit ... The Handy Color Schemer! -- A tool that I use and I am sure you will be delighted when you start using it! As in all of my software that I have created, I have always thought of the ease of use for the user! The Handy Color Schemer is an effective PC tool that you will need to build great looking websites. You will be able to instantly tap into the colors that most designers have even forgotten about and spice up your sites in a

manner where its subtle yet with maximized impact! That's it! Now you can give any website be it your blog site or a sales copy or a corporate website a gorgeous facelift, glowing with nicely themed set of color schemes! Even old websites or graphics can look new and fresh with the color schemer. Simple.... Forget about all the messy and confusing buttons that you have to click in the other schemers only to waste your time and not give a definite color scheme you can use! No internet connection needed! This portable color schemer works right from your desktop giving you 100 mobility and ability to save it to a cd or a thumb drive. Designed with simplicity in mind giving you total power and speed over your website's color themes! Resellable package that you can own for less than 50 of the price of another non-resellable package in the market! Great bonus package that will easily top any other color schemer products online! Easily zoom into the color scheme that you need without the difficulties of understanding the color codes at all! 100 No Risk Unconditional 60 Days Money Back Guarantee! If this package is not for you, just send us an email and we'll issue you a refund, no questions asked. Plus, there's no way you can go wrong when determining your color schemes again! Tags: website
