The Simple Guide To Creating Your Own Video Products Heres a taste of what you will learn inside this guide... What tools are you going to need to create your video product? In this chapter, youll see the advantages and disadvantages of certain tools...and more importantly, what you MUST have in order to create a great video product. Do YOU know how to edit your video? Unless you plan on recording one continuous video, and starting over each time you mess up, you absolutely must know the essentials of editing. Get them broken down into simple terms! You mean I have to have a plan? This is quite possibly the most important step in the video creation process...are you prepared to waste hours and hours because you missed one of the steps? Product delivery just got a little more complicated! Now that you have a video to deliver to customers, you need to know how to go about it. Will it be physically shipped? Downloadable? What if your customer is on slow dial up...all these questions and more are answered.
