Hattie isn't the best medicine woman in her order, but when an ancient evil threatens to escape, she's the only one available to perform the spell to wake the great stone warrior from his slumber. Problem is, she's not sure if she really believes in it, especially since the key component of the spell is her soul-shattering orgasm. When the Warrior is summoned once again he is pleasantly surprised by the medicine woman who has called him, and has no problem giving her the pleasure she needs to complete the banishment spell, but something goes wrong. He still remains in the mortal realm instead of returning to stone. To make matters worse, he remembers nothing except the taste of the medicine woman on his lips. They have two weeks before the new moon to fulfill the prophecy and they spend every moment wrapped up in each other, lost in passion. But time is ticking and there's a price to pay for saving the world-one that may turn her stone Warrior to dust. Author: Ruttan, Amy Publisher: Ellora's Cave Publishing Inc.
