

What Does Revelation Reveal?: Unlocking The Mystery - Warren Carter

The Book of Revelation has been mysterious, confusing, and misunderstood for centuries. Its content has been studied and analyzed by scholars from every corner of the globe. What is it about Revelation that draws us to it? Is this biblical book about end-time mysteries and hidden codes? Does and it relate to our present day? So what does Revelation actually reveal? Or should Revelation be left behind? According to Dr. Carter, the book of Revelation can tell us about biblical times as well as our own. It can show us how we, as Christians, are to live and hope for our world. Revelation reveals God's Word to God's World: that culture accommodation is dangerous, that judgment is taking place now, that the world does have a chance to repent, that there are evil powers working behind the scene, that the time is up for the eternal empire, and that God is coming in triumph.
