Attention: All Marketing Professionals... Discover How YOU - Or Anyone - Can Multiply Your Internet Business Profit Centers Through Expert Use Of Article Writing! Read On To Discover How Your Next 300 Words In Writing Can Be Responsible For Creating Exponential Wealth In Your Online Business! From: [Insert Your Name Here] Date: Tuesday, August 21, 2012 Dear Internet Marketer, How would you like to boost your profits and put your sales into overdrive mode? Make money on demand with information

only? Use the same information you have to create multiple resources and profit centers? And do all this using a free-to-low-cost method called Article Marketing? Why Article Marketing Is The Way To Go Today... Article marketing is one of the most used marketing methods by Internet Marketers from almost any hot niches imaginable. Why? Because it works! One of the most obvious advantages is that article marketing is highly effective in spite of the FREE price tag. Unless you must pay someone else to write your articles for you, in which case it is very low cost. Articles are viral in nature and if done right, they can provide you with the benefits for a long time to come. All in all, If you distribute articles on a regular basis, you will find that it serves to increase your back links, your traffic, your credibility, your trust, and ultimately your sales for an even longer time. But Not All The Beans Are Spilled. Not without mentioning one obvious problem, that is. Its called: time consumption. Writing your own articles can be time- and effort-consuming. As if this isnt bad enough, what could be worse than doing it all wrong altogether? I wish I could say article marketing is as easy as playing checkers but in truth, it takes more than one variables to make every good candy fall in place. Chances are, you know it too well. But what if I can help you eliminate your guesswork, reveal to you powerful ways to multiply your Internet Business profit centers - just by using articles smartly... whether you write them or not? Introducing: Chalking Cash From Articles 47 Letter Size Pages, PDF Format, Instant Download Finally... YOU Can Now Give A Boost To Your Business Exposure And Sales Through Expert Use Of Article Marketing! Imagine, learning things like: How to position your next 300 to 400 words to be the ultimate profit-puller for your Internet Business! What a winning article really, really is like - and how YOU can do just that in a blink eye! The four (4) types of winning articles you can chalk out - leaving no guesswork involved for you... whether you can write or NOT! Seven (7) easy-to-follow but profoundly powerful tips on cranking as much profit as possible from writing an article masterpiece! How to architect your resource box to be attention-grabbing. This is the art of compelling your article readers to visit your main site! Four (4) little used methods that can get your articles written for you... without you having to lift your pen or type a character! This is the best kept secret of top gun marketers in saving them time... and making more money in the process! How to get a friend, colleague or neighbor to do the article writing for you... willingly (Hint: without having to bribe them financially)! The single most important entity you must convey to your articles to ensure maximum viral effect! Seven (7) little known but jealously guarded secrets to maximizing your article exposure (Hint: this is not a recommendation on submitting to as many article directories as you can,

though I've got that covered as well!) The five (5) profit centers you can tap into for cash - with the same articles you've written. This involves a slight change of focus and a stash of innovation... and that's about it! How to turn your free articles that you've written into cash by selling them - the way they are! How to maximize the viral effect and encourage your readers and affiliate army to spread and share your articles with their contacts! And so much more! So WHO Benefits From This Unique Information? YOU... if you have been searching for a highly-effective, low-cost marketing method to advertise your Internet Businesses. YOU... if you have a flair for writing and want to discover how to tap into your inner talents to maximize your Internet Business leverage. YOU... even if you DONT have good writing skills - I will show you how to take advantage of this almost free resource in taking your Internet Business to another level without having to depend on your limited writing ability! And still YOU... especially if you have the urge to multiply your Internet Business profit centers by doing the same work only once! Get Your Copy Of Chalking Cash From Articles Today. And you can secure it for only \$47.00... one time. And at that low price, not only can you increase your productivity, you can increase your number of profit centers through the same article writing done once and every word you crank out can be ingeniously turned into cash.
