! Related styles: FOLK: Political Folk, SPIRITUAL: Alternative CCM People who are interested in Cat

Stevens should consider this download. Details: Alban "Snoopy" Pfisterer was born in Switzerzland in

1946 to a Swiss father and Italian mother but was raised in rural Costa Rica. His music reflects his

upbringing witness by the bilingual lyrics of his songs. He was an original member of the group Love in

the 60's. He was the drummer on the famous Love hits, "My Little Red Book" and "Seven and Seven Is".

He also played keyboards on Love's DACAPO album. Alban has played his music in a variety of countries

throughout the years and received accolades wherever he has played, be it in small or large venue. Alban

is a deeply spirtual man with a powerful message and throughout his music the listener can get a grasp of

this.
