temperamental melodious pop-rock ... actually neat yet radio friendly songwriting ... 11 MP3 Songs POP: with Electronic Production, Sway 80's Rock Lost on me Songs Details: About the Artist Moody melodious rock from an Austin, TX founded band. Album Description Melodies, hooks and more melodies bring out the true talent of this CD. The music is focused with a crisp, bold production that highlights the tracks, making each one stand on their own merits. Lyrically the CD is expressive and makes for a flock of understudy bands to follow. Forget the latest flavor-of-the-month radio band, Chris Kline in the end will simply write and perform circles around all of them. One of the most diverse and shining new releases to date. Undoubtedly one of the most welcomed albums of the year! -Barry Metz, Wilmington Gazette
