Sacred Flute Journeys combines native flute stylings and haunting melodies to tell of the Creator's gift's in unique and memorable way 9 MP3 Songs WORLD: Native American, EASY LISTENING: Mood Music Details: Sacred Flute Journeys guides the listener through a spirit-filled day. Swallow and Morning Dew starts the journey at early dawn. After the ceremony of drumming to Reiki Heart Song and Dancing to Inca Dance, it is time for Comfort Me and Angel Flute to take you into relaxation and meditation. Coming out of the stillness, Coyote Spirit reminds us to not take ourselves seriously. As the sun sets, the night sounds of Rainforest Flute and finally the lullaby of Amazing Grace put the day to rest. What separates this CD from other native flute cd's is that it uses catchy inspired melodies to capture the mood rather than improvisation. These tunes are not only captivating, they are memorable songs. The songs range in influences from South America to North America. Armand uses several different flutes including Double flutes which give a hypnotic quality to the music.
