Now relocated to Los Angeles, this trio offers crushingly honest commentary delivered in a sonic brew that assaults the senses and demands attention. The members of Chemical Burn have spent a lifetime developing the attitude and presence that make up their signature sound and are influenced by a generation of heavy bands such as PANTERA, ANTHRAX, White Zombie, C.O.C, B.L.S., Down, etc. With respectable Southern California venues under their belt like The Whisky, The Gig, The Joint, Dragon Fly, and more as well as all over the Northern California, Bay Area scene, these metal purists stay true to their roots while forging ahead with a sound for the new millennium and beyond. Members Mike Garnica (Vocals, Bass), John Carek (Guitar) and Chris Willett (Drums) are primed to take their music and stage show to a new level to burn their way through the SoCal Metal Scene and across the country. Keep an eye out for the insanity at a venue near you. Chemical Burn's debut album Bury Your Demons is set to release Summer 2005, recorded at Lavish Studios in Burbank, and recorded and mixed at Paramount Recording by Dave Dominguez and mastered by Bill Dooley in Hollywood, CA.
